3. [Manuscripts]. Three bound music hymnals kept by Elder William Anderson of the South Family at Mount Lebanon, New York. The volumes consist of three matched commercially made books with black leather binding and marbled covered boards. A brief description of each of the works follows:

A. Roughly 69 pages are used in this partially filled hymnal with one song dated 1874. The songs represent many eastern Shaker communities including Canterbury, Mount Lebanon, and Harvard. Standard musical notation is used throughout the manuscript. Fine condition.

B. A completely filled volume (197 pp.) with William Anderson's name on the fly-leaf and dated March 21, 1875. The last page is dated September 2, 1877. Interestingly, the first 53 pages utilize Shaker letteral notation and the later entries use standard musical notation. Fine condition.

C. A volume utilizing 146 pp. This copy was kept from September 2, 1877 to December 16, 1881. Standard musical notation is utilized throughout the work.

Patterson locates only one other hymnal kept by William Anderson (from 1876-1878) in the collection of Old Chatham. Seldom do a group of hymnals by the same scribe become available together.

Halavona

Sound O sound the gospel trumpet let it echo thro the heavens while the earth is preparing to hear it. Be prepared O my people for the day is approaching when the Lord will call to judgment those who are in darkness bound. Sound sound sound O sound Halavona halavona halavona lo ho.

O how thankful I feel yea in thankfulness I will bow unto my holy Father for my precious privilege in this blessed gospel. While many souls while millions yet bound in sin have never heard the sound of this purifying gospel.

A Welcome for the Saviour And Holy Prophets

Let us rejoice let us raise a shout of welcome for Christ our Lord and Saviour has come. Yea Saint Peter and the Prophets Isaiah and Jeremiah have come, and they are fill'd with the mighty power of the Lord their God.

Yea we make you welcome welcome welcome to our dwellings. With hearts open wide we will receive these heavenly messengers. Low low we will bow to hear the words of the Lord our God which he hath commanded these to sound in the ears of the people. Stay O stay with us help O help help us. Clothe us with a lamb like spirit and help us to humble ourselves that we may be prepared to meet the Lord our God. For Lo! he cometh in his mighty power and none his hand can stay

Saviour's Call

Hearken O ye little lambs to the Shepherds voice. Come follow me follow me and I will lead you on to pastures ever green and fountains never dry. Where you can regale and feed on the fruits of paradise. Ye little ones that delight to hear your Savior's voice listen listen for Lo! I speak words of comfort to you. Come O come ye innocent lambs of my fold, bid adieu to earthly joys and prepare ye for that day when tribulation will roll on like a mightity torrent: Clothe ye yourselves with holy fear and walk in the low vale of humility cease not cease not to watch watch and pray lest unwarily ye be found sleeping. Trust trust ye in him who is able to stretch forth his hand and stay the tempest. For Lo! he is Almightity, and none can hide from his all seeing eye. Remember my tender lambs that your cries unto him will not be unheard neither will he turn away from those that call for help. How wonderful how great is the mercy and goodness of God. Doth he not gather you beneath his protecting arm. And hath he not promised to protect those that call on his name. Verily it is so And if you stand on the side of the Lord you will come off conquerors. Triumphant victory you will shout in the realms of bliss. So put on the whole armor of God & be strong and your reward will be great in the heavens. A crown you shall wear brighter than the orb of day. Thus and so shall it be unto you O my little lambs that delighteth to do the will of God. Amen.

Vale of Safety

In low humiliation
Down in the valley low
'Tis there I want to walk & feast
On fruits which there do grow
O come my dear companions
With me the vale descend
Where God is our protector
Our Father and our friend

Here we need fear no danger
Down in the valley low
No storms are ever raging
No chilling winds do blow
Here Satans vain allurements
Lose all ~~all~~ their glittering (charm
We're safe down in the valley
We're safe from every harm

No cruel wolves are prowling
Upon the lovely plain
But here sweet peace and union
And harmony do reign
No enemy takes shelter
Within this safe retreat
You need not fear to venture
No beasts of prey you'll meet

Here we can find a covert
From the impending storm
And safety from all danger
In every shape and form
While storms and winds (raging are)
Upon each lofty hill
Down in this lowly valley
There's peace and safety still

Mothers Sealed Promise

In *solemn* reverence
Bow low in holy fear
Thus saith your loving Mother
For lo! lo! I am near
I've come to view my Zion
I've come to kiss the meek
I've come to help my children
And strengthen the weak

I've brought those gospel virtues
For which I've heard you pray
For lo! your cries ascend
To my mansion day by day
I've brought that which you need
Yea 'tis meekness love and peace
'Tis patience strength & comfort
In these may you increase

I warn you my dear children
To hasten on your way
Make ye your travel swift
There's danger in delay
Enough enough I've given
If my children will obey
To guard them safe to enter in
In my godly way

So press ye on swiftly
And never look behind
To the vain things of sodom
Or the fleeting things of time
But strengthen one & honor
Your Mothers gospel pure
And I will never leave you
My promise is sure

I seal it with my love
And I seal it with my peace
I seal it with my blessing
And an endless increase
I never will forget
Those who do remember me
While they remain in time
Or in eternity.

Time Consideration

O Lord we now appear before thee
And return our grateful thanks
For thy mercies we adore thee
While we join in solemn ranks
By thy power we've been protected
Now our souls to thee we raise
May our offerings be accepted
While [illegible] thy name we praise

May thy heavenly [illegible] blessing
On thy people ever rest
May we daily be progressing
In the work of righteousness
When we walk in tribulation
Still our confidence we place

In the rock of our salvation
Here in safety we can rest

Here in true humiliation
We can feel our spirits bend
And divine and pure sensations
Freely to our God ascend
Sweet repentance like a shower
With the water of God does flow
And its virtuous cleansing power
Every faithful soul does know

This will join our souls together
In the living work of God
This will make us love each other
Then we must be [illegible] of love

All united to our Mother
Here in union we can stand
For to love and bless each other
Is our Fathers great command.

A Faithful Souls Reward

O how beautiful is the reward of true and faithful souls that have kept Mothers pure gospel in purity and holiness. For ye have passed thro many trying scenes of tribulation and have kept your holy faith. Yea now my faithful first-born ye are rightful heirs of the kingdom & your reward is great and glorious, and ye shall receive it in the mansions of glory. O my children I have prepared for you a beautiful garment and a heavenly crown that will shine brighter than the sun or any earthly thing.

The Little Mote

Since meridian light commences
Perfect lines revealed to some
If there then should be offences
Woe to him by whom they come
Judge not that ye be not judged
This the counsel Christ did give

And the measure we have given
Just the same we must receive

Jesus says be meek and lowly
But 'tis high to be a judge
If I would be pure and holy
I must love without a grudge
It requires a constant labor
All these precepts to obey
If I truly love my neighbor
I am in the narrow way

If I say unto my brother
In thine eye there is a mote
If you are a child of Mother
Hold and let me pull it out
But I could not get it fairly
For my sight was very dim

When I came to search more clos
In mine eye there was a beam

If I love my brother dearly
And his mote I would erase
(clearly
Then my light might shine more)
For the eye's a tender place
Where I have oft reproved
For a little tiny mote
Now I wish that beam remov
O that tears might wash it out

Charity and love is healing
This will give a clearer sight
When I saw my brothers failing
I was not exactly right

Now I take no further trouble
Mothers love is all my theme
Little motes are but a bubble
When I think upon the beam

Reward of the Cross

Clara wee hark listen to the holy trumpeters. O come holy Angels ye bright shining seraphs and purified saints Blow your trumpets and give thanks to the holiness of notes, for the meek and lowly crossbearer is blessed. O shout aloud in gratitude to the glory, of heaven for now ye may clearly see the reward of the cross. O what beauty and honor are treasured up for every free volunteer. By God their heavenly Father they will be seen and known

Such he hath called to worship before his holy throne
In robes of love and meekness his will the will perform
He'll guide with holy Wisdom his people from all harm

Ten thousand gems of honor, the vestments shall adorn
Of those who'll freely carry the cross their Saviors borne. The sun with all its glory, in beauty can't exceed
The crown of those who're faithful, their Mothers voice do heed
To such and such only will I give my crown who loo k're fi ne vis i o na ion saith the holy and Just One. And in my eternal brightness they

shall be enrobed, when they have faithfully worked the work which I have prepared for them to do. Yea qua la loo van se ee saith bright and holy wisdom ye are now blessed and owned by me, and while passing thro the scenes of le vi non ee they shall be surrounded with everlasting love and transcendant glory and when they have run the glorious race and won the rich prize of eternal life, the reward of the cross they shall receive and be comforted with my heavenly joy

I will delight to welcome such into my palace of perfect love and sweet rest but none others shall find entrance As you march in my pleas ant way, I will clothe your feet with golden bren sen ve so be ye cheered in obeying my O le en le ca so la vine saith your holy Eternal Mother Wisdom

The Saints Intercession

O thou all protecting Father
God of everlasting truth

Do with thy arm of mercy hovi
Over the young and tender youth
Make them firm unshaken pillars
In the Zion of my God
May they bow and bend like wil(lows)
Beneath thy scour--ging rod

O do strengthen and encourag
Those who are pressing heavenway
Help them slay their vile oppresso
With thy sharp two edged swor
May that seed of holy faith that
Thou hast planted in their souls
Be their shield in the hour of trial
And their goings forth control

Try them in thy holy furnace
Purify their souls from dross

Make them love thee Messiah
Make them love the blessed son
Free their souls from every fetter
That would serve to do them harm.
May they love thy gospel better
Than this world with all its charm

Feed them with the food of heaven.
Never let them fall asleep.
Give them of thy gospel leaven.
Do their wandering spirits keep
O do hear my intercession
For the objects of thy love
Bless them O thou righteous Father.

To thee O Lord belongeth praise and honor for thy wonderful work. Thou hast built a zion of thy likeness & placed an Altar whereon is offer'd sweet incense of praise & thanks giving. Thou hast wrought marvelous works even in thy zion upon earth; thy power and thy might has been seen & felt by the inhabitants thereof for which they shall glorify thy name forever & ever. Yea thy trumpet thou hast sounded and

reechoed its sound, throughout the borders of thy most Holy City. saying. prepare O ye children of zion be ye prepared. For soon I shall sound my trumpet to the four quarters of the earth, & the inhabitants thereof will fear & tremble. They shall run to & fro to seek a resting place beneath Jehovah's wings: then stand ye on the walls of Mount zion & loudly proclaim the blessed way of full salvation from sin O ye children of the light, || for I will enlarge thy borders, & call home the weary pilgrim unto thee my zion saith the most Holy One|| Yea with my trumpet will I gather beneath my protecting care all who are willing to bow in subjection to the cross of Christ: they shall be

Glorious City

O Zion O Zion thou glorious city
Behold I've adorn'd thee with towers (mighty from)
To stand as a light to the nations around thee
To show them that God their redeemer is nigh
Then say to the needy who gather to see thee
Come enter with us in the straight narrow way

(pleasures
Leave all earthly treasures your lust and vain)
To dwell with the righteous in eternal day

Come travel with us in the regeneration
Strip off your old garments and lay them aside
For nothing can enter in the new creation
But that which the fire in Zion has try'd
The proud and the lofty must both be abased
The meek and the humble can only endure
The light of the gospel all sin has erased
The Zion of God must be holy and pure

(word and action
Come right all your wrongs both in thought
(done
Confess all the deeds which in darkness you've)
Then you shall be fill'd with that true sat
isfaction
That no earthly honor or glory e'er won

My yoke it is easy to those who
will wear it
My burden is light to the true
sin sick soul
The cross will save ~~those~~ all
who will faithfully bear it
And let the pure gospel their actions control

But no vain pretender can ever inherit
(or pure

unite together

And strengthen each other in bonds

And show ~~that~~ by your fruits

For my displeasure they will feel.

O my Zion my Zion a well filled cup for you is preparing a bitter cup indeed for you is nearly filled. altho you may say that my work is now ended my word has passed away and I visit my Zion no more. But alas you're mistaken yea mistaken you be, the work of my hand you just begin to see. The sound of my voice you just begin to hear, And soon you will know of a truth I am near. Again and again I will pass and repass thro' my Zion here below. I will call and I'll call, I will sound and I'll sound, and the sound of my sounding shall echo and roll roll roll! Yea I will call and I'll call, I will sound and I'll sound, till my voice like the sound of troubled waters or of deep rolling thunder shall reecho thro' thy courts and be heard in thy temple O Jerusalem ⁝ This this is the word of a just and holy God and this I was sent to declare unto you O inhabitants of Zion ⁝ (July 1st 1844)

Heavenly Refreshment

Descend from thy fountain
Bright river of love
Roll on and roll on in
Pure streams from above
In one gentle current
Continue to roll
Refresh and enliven
My poor thirsty soul

O come ye soft breezes
So pleasant and clear

Breathe forth your sweet fragrance
My spirit to cheer
The sweet smelling odours
From lifes blooming tree
From soft gales of paradise
Waft them to me

Ye notes so melodious
Which bright angels sound
And which lovely Seraphs
Are chanting around
O let your sweet melody
Chime on mine ear
To cheer me along through
My pilgrimage here

Ye doves of my mother
With plumage so white
While round her you gather
In love and delight
O bring me one drop
Of her comforting love
O do not forget me
Ye white little dove

O hear the band of bright musicians
Playing on their harps of gold

Happy Land

O Lord in thy mercy
Do hear my humble cries

O strengthen and befriend me
When dangers are nigh
Protict me I pray thee
And lead me safely on
To that bright and happy land
Where my holy Savior's gone

When heavy tribulation
Shall weigh my spirit down
And floods of grief and sorrow
On every hand surround
2 time blessed Mother's gone

When thro the cloud of darkness
No cheering way I see

I cast my eye to heaven
And look for help from thee

And when the time arrives
For my soul to leave this clay
And soar away to mansions
Of everlasting day

Hark. hear the lovely music band with banners unfurl'd they march the golden streets of Jerusalem playing on harps of gold.

My heavenly Mother

O come good spirits do I pray
Help me to bow low low each day
In low humiliation bend
That I may find my loving frien
My Heavenly Mother

Who knows the source of all my (grief
Who can alone give me relief
Help me decend into the vale
Where I can never thro time fail
Of finding Mother

A prayer for the Needy

O righteous holy Father
Lend a listening ear unto

our humble cry. O yea we do bow in true supplication before thee O Lord and humbly implore thy mercy in behalf of the poor and needy souls that are groping in darkness and have strayed far far away from thee. Save O save them we humbly pray from destruction and wo. Stay thy righteous judgments a little longer and grant them a space to repent that they may turn from their evil ways and find acceptance with thee O righteous God may they feel thy power in mercy and learn to fear thee who is able to save or to destroy. Help them O yea do strengthen them with thy strength is our fervent supplication.

One leaf back

She'll guide me to the realms of light
And lead me thro' the shades of night
In her alone I find true joy
And nothing can my love destroy.
For my dear Mother

Tho heavy crosses fill my way
And tribulation gains the day
Yet on her power I'll ever lean
There's nothing can my spirit wean
From my kind Mother

Tho all my friends should me desert
Yet nothing can my spirit hurt
If I can gain the lasting love
And make a friend in heaven above
Of my blest Mother

O then kind parents help me press
Into the work of righteousness
That when the scenes of earth I leave
My weary spirit thou'lt receive
O my dear Mother.

Prayer to God for his blessing
Holy Father we beseech thee
Hear O hear our humble cries

May our supplications reach thee
For in thee our comfort lies
O may we so walk before thee
That thy blessing may distil
Upon us while we adore thee
And delight to do thy will

Bless O Lord our habitation
Bless our labours day by day
May we love that pure relation
In which we can never stray
May we love and bless each other
To each other condescend
May we as one all go together
And each lofty feeling bend

Hear our cries and cause thy blessing
Day by day to flow around
Holy Father send thy blessing
On this consecrated ground
Bless the hand that is engaged
This to cultivate and till
Bless the young O bless the aged
Who delight to do thy will

'Tis from thee O holy Father
'Tis from thee each good does flow
On thy mercy we're dependant
Still to us thy mercy show
May the earth which thou hast forme
Yield to us a full increase
May thy people who're thus warned
Walk in paths of truth and peace

That thy blessing still may hover
And upon us daily flow
And thy hand of mercy cover
Us from judgment and from wo
In thy mercy thou hast fed us
And thy name we will adore
In thy mercy thou hast led us
Thee we'll praise forevermore

Bind the tongue that does not praise thee
Clothe the froward soul with fear.
Blow thy trump and wake thy children

Fill the weak with holy power
Clothe the pure and bless the meek
Let repentance like a shower
Cause all souls thy way to seek

Bear a light to those enshroud

Let thy day of grace be cloude

Mothers Sufferings

I cross'd the wide ocean
Thro' tribulation deep
For you my dear children
The gospel to keep
I waded thro sorrow
And sufferings sore

That you might arrive
On fair Canaan's shore

When hungry and thirsty
When naked and poor
I cried holy Father
Thy blessings do shower
The angels did feed me
With heavenly bread
And this is the source
From which I was fed

So press ye on
With new life and zeal
Thro' trials and sorrows
My spirit you'll feel

Rich blessings of heaven
On you I will pour
That you may arrive
On far Canaan's shore

But no vain pretender
Can ever Obtain
That beautiful treasure
The faithful will gain
The angels shall waft
Their spirits away
Unto the blest mansion
Of eternal day

Sung by Mother Ann Nov 23d 184

The Holy Way

How pure and holy is the way
How strait and narrow is the path
That leads to realms of endless day
Where all are free from sin and wrath
This is the path our savior trod
In tribulation grief and pain
And in obedience to his God
He did eternal life obtain

He faithfully did mark the way
For all who would salvation find
He bade them put their sins away
And satans kingdom leave behind

Thro' tribulation he has gone
The firey furnace passed thro,
And persevered till he had done
The work that God gave him to do

And now he has again renewed
His kingdom in this latter day
Thro' Mother Ann he's bro't to view
The only true and living way
And faithfully she did proclaim
The cross of Christ to all mankind
And valiantly she bore the same
And crucified a carnal mind

O may we now in thankfulness
Look back and see what has been done

Thro the unwearied faithfulness
Of those who have before us gone
Had we not heard the blessed sound
Which they proclaimed in our ears
Our souls would yet in sin be bound
And have no light whereby to steer

Let gratitude then fill each heart
With joyful praises unto God
That with the pure we have a part
Where we can hear his holy word
Yea ever thankful let us be
That we have been so greatly blest
With ears to hear and eyes to see
This glorious work of righteousness

No living verdure shine

The flocks which fed in pastures nea
Shall perish from the fold
The stalls quite empty shall appear
No herd therein behold
Still in the Lord I will rejoice
For he salvation gives

And joyfully I'll raise my voice
That my redeemer lives

The Lord is my strength I shall not sin
He'll cause my feet to stand
Like hinds upon the mountains brink
I'll walk the holy land
His power and wisdom I will bless
His goodness I'll adore
I'll praise him for his righteousness
Henceforth forever more

Bright Gospel Day

This is the last bright gospel day
Which prophets have foretold
Christ has again on earth appear'd
And we this light behold

He's come to purge our sins away
His voice in love we hear
Repent repent the spirit cries
Bow low in Godly fear

For lo! I come with a rich store
Of love and blessing too
And freely will I give to those
Who seek my power to know
My work is swift my work is sure
None can be before me stand
But those who will the fire endure
A pure and spotless band

None but the honest will I bless
Who seek to know my will

And by their works of righteousness
My holy laws fulfil (stays)
From them my judgments shall ri
Which on the wicked roll
My mercy freely shall descend
Upon the humble soul

In robes of innocence arrayed
Their cries to me I'll hear
They shall rejoice in me their God
In mansions bright and fair
Where free from sin and deaths contr
Their praises shall ascend
To him who has redeem'd their souls
Their Father and their friend

The Lord vieweth His People

Thus thus saith the spirit hear O hear the voice of Jehovah saying prepare O my Zion for lo in my hand I hold Justice and my people shall hear the sound of my voice. I will roar roar like a mighty wind till the inhabitants are purified. Yea I shall pass through out thy courts and my innocent lambs I will hold hold in the hollow of my hand. O my Zion arise shine forth in beauty let thy glory sprea thro' the earth let the sound of your trumpets be heard to the four winds that all nations may come and bow down to receive this blessed gospel And again I will sound forth my word and ye shall hear and understand the same Yea I shall view and review ~~thee~~ my people the wicked shall fear and tremble and flee from before my awful presence. But all who are found in the valley low shall dwell secure from my judgments saith just and holy Father

Learn of me the Saviour

Arise in peace and follow me for I am your Saviour With a gentle voice I call every both great and small to come come learn to be meek and lowly learn learn that blessed blessed are the poor in spirit who delight to do their Heavenly Fathers will. Tho bread should fail and fountains dry their garners I will fill. I'll feed them with the bread that my Father gave to me when I drank the bitter cup in grief and agony. When

I was on earth a stranger not where to lay my head my Heavenly Father gave to me from day to day my bread. It was my meat and drink to do his holy will, & unto such I loudly call come this promise I'll fulfill

Sincere Prayer

O rimember me O remember me Heavenly Father when I cry unto thee. While I'm sailing o'er the troubled sea of time, and afflictions roll on.

O remember me O remember me Heavenly Father
When true joy fills my soul
When rich blessings from thy
righteous hand descend and
heavenly comforts do flow.

O remamber me O remember me Heavenly Father
when in sorrow I wade
When in tribulations vale
I mourn and weep O then
remenber me.

The Best Choice

O ever may Gods holy way
Be my delight and joy
Throughout my days his name to prai
Be all my souls employ
That when I'm done with things (of time)
And I am called home
I may rejoice in this the choice
I've made while I am young

All earthly joys and foolish toys
I'll banish far from me
And daily seek a spirit meek
In low humility

That I in love in heaven above
May dwell with saints divine
In worlds of bliss more bright than (this
The lowly soul will shine

Tho God should sweep the foaming deep
And rend from pole to pole
This spacious earth with all its mirth
Be stedfast O my soul
For I do find the low in mind
Are saved by Gods power
Tho judgments ride on wind and tide
They're safe in every hour

Then O my soul with courage bol
Embrace this blessed way

With heart and mind I'll be resign'd
And in the gospel stay
And when the rod which is from God
Does scourge my soul severe
I'll bless the hand and firmly stand
Till I am cleansed here

O elders dear thy love sincere
I earnestly desire
O may it roll without control
And my poor soul inspire
To follow thee in honesty
And walk the path you've trod
Which leads aright to realms of light
To mansions of our God

Zions Valley

In zions rich valley pure waters do flow
Here fruits and sweet flowers do flourish & (grow
And all who are willing to walk this low val
May feast on there bounties which never will (fail)

The fruits of the gospel do yeild a supply
Of comfort and union which never will die
And all the true hearted a treasure will fin
Of durable riches and peace to the mind

Pure Enjoyments.

Upon Mount Zion's lovely height
Stand the pure and holy
Moving on with sweet delight
In spirit meek and lowly
From earth and its allurements
They're traveling far away
Partaking of enjoyments
That never will decay

2 Rejoicing in the work of God
While pure fruits they gather
Strengthen'd with his holy word
By which they live forever
And for the light of Heaven
They cease not give thanks
But worship in pure union
Upon these holy banks

3 I prize this bright sanctuary
'Tis my only pleasure

And leave behind the things of time
For this eternal treasure
For all beside is fading
All else doth pass away
Then let me be advancing
In everlasting day

Voice of Mother Ann Lee.

[illegible] children [illegible]
[illegible] your blessed Mother [illegible]
Could you know how much I love you
You'd like [illegible] valiant stand
[illegible] in times of trial
But you'd often [illegible]
[illegible] one shall be forgotten
By your kind Mother Ann Lee

2nd [illegible] time from Mother
[illegible]
All that stand firm and unshaken

Will receive an hundred fold
They will glow with heavenly brightness
Yea they will the sun outshine
Every one shall be rewarded
For their labors here thro' time

5 So dear children be encouraged
For you all are dear to me
Let not any one among you
Think you are forgot by me
My dear children I'm a Mother
That does feel a tender care
For my well beloved offspring
Those that are true rightful heirs

6 Those that walk in tribulation
And to God do often cry
For his mercy and protection
Tis to such that I am nigh
That I hear your silent prayers

This I say to every one
That you all may be encouraged
And in thankfulness press on

5 I'm a kind and loving Mother
Abound in charity
For my well beloved children
Those that are [illegible] to me
Yes dear children I'm your Mother
That did suffer on this earth
Yes I suffered persecution
To [illegible] the second birth

6 Now you are made full partakers
Of this blessed gospel pure
Every one will yet be thankful
If they to the end endure
There are treasures pure and holy
All secured in worlds above
8For the humble meek and lowly

Those that serve the living God

Mothers encouraging Promise

I'll walk with my true walking children I will
And on them my Blessings shall gently distill
With my words of peace them I will come
And no evil danger nor harm shall come
If they will be faithful.

And I will lift up the light of my face upon them
And Shine on them with my heavenly rays
In my comforting Blessings on those shall descend
And I will ever remain a true friend
If they be faithful.

I'll stay with my children wherever they be
I'll strengthen, and give them my Blessings free

The Pretty Gospel

O what a pretty gospel
I say it shall be mine
So pretty pure and holy
Behold its beauty shine
In love and sweet communin
The prodigals return
And by this pretty gospel
The way of God we learn

This pure and lovely gospel
I love it more and more
It feels to me more precious
Than e'er it did before

I love this pretty gospel
I'll have it yea I will
And in its pretty order
I'll be increasing still

I love the pretty precepts
My pretty saviour taught
I love my pretty Mother
Who full redemption brought
I love my pretty elders
Who teaches me the way
I love their pretty children
Who faithfully obey

No room be for complaining
Within its peaceful bowers

For sure this pretty gospel
Will weaken all its powers
No room found for contention
Where union keeps alive
For Mothers pretty children
Will ne'er contend nor strive

Come all who want to travel
And overcome their loss
Will never stand to cavel
But bear a daily cross
Will yield a due submission
Unto our leaders kind
For we in full subjection
A pretty heaven find

Gospel Baptism.

O come all ye that have been baptized with the gospel fire and let us worship God in songs of joyful praises. For he hath looked on Zion and made his glory known in truth and quickening power

O see the windows of heaven are open'd and showers of blessings do descend and waters gush from living fountains.

The son of rigtteousness hath also shone upon the land of Canaan with reviving rays and made the promised land to glow with beauty. Christs manifestation in strength and salvation we've certainly found then we can unite in love and delight on Zions ground. O raise your hands ye chosen number and shout eternal praises

For Zion now arises in power and glory. O here are flowing the waters of life wherein we may be baptized unto repentance. O come and drink O come and drink and be baptized

And here is found and here is found the bread of life

O eat, O eat, and live forever For the gospel is free, and the gospel abound with choicest treasures. No earthly princely crown was ever adorned with such royal gems and precious pearls I will drink of these purifying waters I will feed I will feast on this living bread and humble myself in thankfulness forever.

The Seasons

While outward enjoyments our senses caress
How pleasant the seasons do roll

But times of affliction and scenes of distres
May bring greater good to the soul
But on such occasions the devil will try
Our safety in question to call
But one thing is certain the lowest we li
The less we're exposed to fall

Upon the high places of pleasure and eas
Salvation did never yet grow
The richest plantations and fruit bearing (trees
Are down in the valley below
So every fruit bearer of heavenly bliss
Has first to be mortified down
And thro tribulation and suffering to (pass
Before they inherit the crown

Since losses and crosses are heaven's highway
To mansions of glory and peace
Then my poor old nature I earnestly pray
Your troubles may daily increase
Let humiliation be ever my choice
And sufferings may I endure my constant manure
And then in the spirit I'll ever rejoice
From motives substantial and pure

The Lord Our Comforter

The Lord has again
in his temple appear'd
The voice of rejoicing
and gladness is heard

The bridegroom and bride
have now utter'd their voice
And all their companions
in union rejoice

They're come to mount Zion
an ark for the mind
A mountain that's flowing
with milk and new wine
This hill of salvation
their spirits renew
Where sweet consolation
descends like a dew

For thus saith the Lord
I'm returned to be

A comfort to all who
will call upon me
A lamp to the wanderer
a couch to the frail
A certain protection
that never will fail

The desert of Zion
begins to be seen
Like Eden a garden
delightfully green
With fruit and with flowers
of various kinds
And beautiful bowers
composed of vines

Break forth into singing
ye heavens above
Ye mountains rejoice
in a sonnet of love
The hills and the vallies
in raptures may tell
Jehovah hath comforted
all that do well

As dew saith the Lord
unto Israel I'll be
And he shall grow up
like a young olive tree
His branches shall spread
& his beauty increase
His shade shall be called
the arbor of peace

The children of Israel
their voices shall raise
In songs of thanksgiving
and anthems of praise
To heaven's protector
and Zions great friend
From whom every blessing
to mortals descend

Jerusalems Beauty

Open thy gates O Jerusalem that thy Righteous Judge may enter. For he shall pass thro' thee in a chariot of his glory. Yea in thy streets O Zion shall be seen thy heavenly King and royal Queen marching in triumph over thy golden pavements ⁞ Then Jerusalem shall flourish and Zion shall prosper because of the righteousness of her inhabitants ⁞ Yea saith thy preserver in thy obedience I will bless thee in thy uprightness I'll protect thee and fill thee with pleasant songs of joy and mirth and the morning sun shall dawn upon thee in great brilliancy - Thy wall shall be a wall of praise and bright winged seraphs guard thee around and shining Angels delight to pitch their tents within thy glorious borders ⁞ Saints shall descend from their heavenly Mansions to view thy resplendant beauty ⁞ So rejoice O ye Ancients of my City and be ye comforted O my chosen people for thy God hath not forsaken thee ⁞ But will lead thee on with an arm of his love To mansions bright and fair

where of his blessings
you'll partake and
of his goodness share||

New Living Order

Come look at this new living order
And see the foundation of peace
O zion how lovely thy border
Which shows forth a living increase
Thy subjects are ever employed
In works of both virtue and love
The evil must all be destroyed
To lay up a treasure above

The earth must again be redeemed
From all that encumbers the ground

As prophets in spirit have dreamed
Salvation in Zion is found
New heavens and earth are creating
In which ev'ry soul must awake
Long time has the spirit been waiting
That we might all evil forsake

Now all who have freely forsaken
The ties of old nature so strong
Shall sweep thro the tempest unshak
From Satan's delusion and wrong
With music and dancing delighted
From sorrow they've found their release
Their joys in Mount Zion united
Shall show forth eternal increase

A Petition for Youth

Mighty God I praise and thank thee
O my everlasting rock
Bear with me while I address
In behalf of Mothers flock
Make them perfect clean and holy
Well established in the truth
Let a eternal weight of glory
Rest upon the faithful youth

Bear them up thro every trial
Lead them gently by the hand
Nurse the blooming trees of Zion
Which adorn thy holy land
Those whose minds are separated
From the world of wickedness

Those whose hearts are consecrated
Unto thee in righteousness

Teach them how to love & fear thee
Let them on thy strength rely
Pour thy blessings on them freely
Hear their hearty fervent cry
O dear children stand unmoved
Be as stedfast as a rock
In Jehovah's sight approved
Bound in union with his flock

Tis my wish my hearts desire
That you gain the precious gem
That you truly may acquire
Mothers robe a diadem

Arm yourselves against temptation
Love to tread the humble vale
When you pass thro tribulation
Never let your courage fail

Keep a quiet meek behaviour
Free from natures vile control
Let the love of Christ the Saviour
Reign triumphant in each soul
Strict obedience due subjection
To your Lead in all you do
Sacred virtue with discretion
Will dear children bear you thro

Every good to you is given
You've the treasure that endures

You shall hold the keys of heaven
~~You shall hold the keys of heaven~~
Mothers jewels will be yours
Seal'd with Christ's most holy numbe
Everlasting life to gain
In your souls thro every member
Let the precious Savior reign

The Criterion

Is pure love and union my only pleading;
And do I this union possess
When others are honor'd then do I rejoice
And pity all those in distress

Is my heart delighted when others are blest
And do I this happiness seek

Or am I a striving their peace to mo(lest)
I call on my conscience to speak

For by this criterion I now can decid(e)
And know just the truth of the cas
If I have that love that will stand and (abide)
It will my proud nature abase

I shall not be haughty and lofty and (high)
But little and simple and mild
Yea I shall esteem others better than I
And be an obedient child

And this is the badge I have set out to (gain
This true bond of union & peace
I have a good measure already obtained
But still need a further increase

And this is the love I will lay up in (store
For this is the union I prize
I'll strive to be little that I may gain (more)
For no other gift will suffice.

Healing Balm

No more of guilt no more remorse
We've found a healing balm
No more of tempest O rejoice
How sweet how still the calm
Surrounded here with trees of life
Here heavenly virtues bloom
And far from Edom's land of strife
We've found a peaceful home

Here everlasting streams of love
Flow gently through the vale
And here the little harmless dove
No vulture dare assail
The tree of peace unfolds its leaves
And spreads its branches wide
Beneath the lovely shade it gives
The gentle lambs abide

O what a lovely paradise
This shall be my abode
For this all else well sacrifice
And spend our lives to God
For this we leave old Egypts shore
Brave every wind and tide
Tho' Pharaoh's host against us rose
In Zion we'll abide

Sincere Supplication

O Lord my God remember me
And hear the prayer I offer thee
And promise which I make to thee
O God my heavenly Father
If thou wilt health and vigor give
My time and talents while I live
To thee with cheerfulness I'll give
O holy heavenly Father

O hear the breathing of my soul
When deep afflictions round me roll
Do thou the raging waves control
O God my heavenly Father
And while to thee for strength I cry
Let thy good angels gather nigh
My needy soul with love supply
O holy heavenly Father.

Hour of Prayer

How blest is the season
When calm and retired
The soul is by feelings
Angelic inspired
Away from the troubles
Of life and its care
How pleasant and sweet
Is the hour of prayer
Is the hour of prayer

No gloomy forebodings
No darkness is felt
The soul before God
In repentance does melt
And heavens bright hosts
Seem to kneel with us there

So sacredly blest
Is the hour of prayer
Is the hour of prayer

What heavenly peace
Does our feelings impress
When Christ is there with us
Our spirits to bless
For tis his delight
As his words do declare
To meet with his saints
At the hour of prayer
At the hour of prayer

When he was on earth
Worn with sorrow and grief
And no earthly power
Could afford him relief

How often did he
To the desert repair
And there by himself
Spend the hour of prayer
Spend the hour of prayer

When thro heavy trials
Our souls are weighed down
Our hopes seem to fail us
Our friends wear a frown
Then what joy of nature
Could ever compare
With what the soul feels
In the hour of prayer
In the hour of prayer

Blest hour of of retirement
What joy is in thee

A season most precious
Of seasons to me
A time in which I
Can for heaven prepare
O blest of all hours
Is the hour of prayer
Is the hour of prayer

Go Thy Way

O God of mercy grant to me
A broken and a contrite heart
That I my loss may truly see
And from all sin henceforth depart
Let deep repentance while tis day
My wounded soul again restore
And let me hear the Savior say
Now go thy way and sin no more

Help me to loathe myself & sin
And walk the selfdenying way
And gain that purity within
Which fits the soul for endless day
And while my loss I feel O Lord
And my lost state I thus deplore
O let me hear thy precious word
Now go thy way and sin no more

Yea give me daily power to shun
The tempters every hidden snare
While in the holy way I run
Till I become a rightful heir
O let thy leaven work its way
And all my heart and soul explore
Till sinful nature's purged away
And then I'll go and sin no more

Holy Dominion:

To thee holy Savior all power is given
All spirits and elements feel thy control
All power thou hast said both in heaven on earth
To thee I surrender in body and soul
Lose whatever spirit to thee is offensive
I pray thee to cast out of me with thy word
Thy holy dominion so bright and extensive
For one selfish spirit no room can afford

Throughout all this lovely and happy dominion
No room for this spirit can ever be found
Which claims its own way its own right of opinion
Its own partial union and stands its own ground

O ev'ry such spirit I pray thee to banish
And send far away from the path I pursue
Before the true power of thy word they shall vanish
And never again their dominion renew

Yea banish kind Savior whatever thou hatest
And cast out forever from this heart of mine
That restless ambition that seeks to be greatest
And thinks with the lustre of heaven to shine
This favor I seek with unyielding desire
O let me be one with the best of thy flock
My soul has escaped the unquenchable fire
And now with true joy I will build on the rock

Heavenly Messenger

Lo the Angels from heaven
Unto earth are now descending

Like flaming heralds bright
Unto Zion they will come
Who are ready, who are ready
Who are ready and prepared to meet them

They ar clothed with strenght & long (young
The living truth is on their tongues
They fear not the arm of mortal power
For God Almighty has sent them forth
Who are &c

A voice from the throne of the most high (God)
Thro' his mighty Arch Angel is sounding (aloud
Crying hasten your work for my times have expired
My law has gone forth and my word is declared
I am &c

None will be accepted who stand in the light
Resisting the foe with their weapons all bright

Deceitful pretenders so unreconciled
The spirits of such they have never defiled
There are &c

A Happy Rest

How happy how joyful how peacefully thei
Are the souls of the righteous enjoying sweet rest
When here upon earth their work is well done
With joy they receive the rich prize they have won
O happified spirits the angels delight
To hover around and guard day and night
And saints upon earth with raptures of joy
Will shout and will sing in their happy employ

The Spirit invites one and all on to press
For the kingdom of heaven in true righteousness

Affections to place on things more sublime
Than transient pursuits vain & wearing of time
Then let us advance in the new living way
The orders of God revere and obey
In his holy power were called to rise
And justly inherit the pearl of great price

All those who do faithfully walk in the light
(robes in white
In the blood of the Lamb they have washed their)
Receive a sure treasure in heaven above
Such souls shall be crowned with purified love
Triumphant over sorrows and over all sin
With victory they go a bright world to win
The heaven of heavens shall be their abode
And they shall rejoice in the glory of God

A Rich Treasure

A rich treasure I am seeking
Far from Egypt's land of strife
With the meek who're daily living
An unspotted holy life
And the road we've found is lovely
It doth lead from nature's loss
Here the love of God flows freely
Here's salvation by the cross

Here with cords of purest union
Kindred souls are bound in one
In a holy sweet communion
We do praise the great I am
Here on Zion's peaceful border
We unite in heart and hand

And in love and holy order
Form one firm and happy ban

All in love are now invited
High and low yea rich and poor
None will ever be rejected
That will come in at the door
Come ye needy come and enter
Into Zions peaceful vale
Come where ev,ry good doth centre
And all manmade systems fail

Here all sin can be forgiven
That is honestly confest
There no pharisaic haven
Can find place with us to rest

Here the light of truth is shining
Like the brilliant orb of day
And the faithful are rejoicing
In this pure and holy way

God has look'd in love and pity
On the fallen race below
And in kind and tender mercy
Heavenly comfort does bestow
To his name we give the glory
He has saved our souls from death
He is worthy true and holy
We will praise him while we've breath

Offerings of Praise

We will praise our God in his holy temple on earth and declare the wonderful doings of the allwise and righteous Creator

Let us sing of his goodness and love and shout the shout of victory for his arm has brought salvation and his hand deliverance from evil. Come let us renew our strength in him for his power is mighty to save even all who are workers together with him and dwell in the light of the gospel. This unerring light will guide and direct and be as a lamp to the feet of the wandering leading them in a sure path to happiness and peace. Let us bring offerings of thanksgiving and praise which are due to our God who dwelleth on high and who rules in his Zion below which he has established in perfect order and true holiness. Here he manifests himself in brightness and glory divine thro the chosen and anointed of his name, to whom is revealed the everlasting gospel of truth and righteousness which will be sounded to the ends of the earth, and the nations thereof will seek a refuge within the walls of his holy City. Yea they will come returning to God with songs of rejoicing Joy and gladness shall fill their hearts and the voice of triumph shall be heard throughout the sacred habitations of the new Jerusalem Then be ye ready and prepared to receive them O ye shepherds of Israel for the Lord will gather his own from kindred and tongues far and near under his protecting care and cause them to stand in his kingdom accepted. And with you to drink at the rich fountain of his mercy and goodness.

The Fan Of Truth

O come all ye innocent lambs in Zion, and prepare for the great and glorious harvest. The Lord hath begun his work upon earth to harvest the wheat and consume the chaff and cheat. So prepare make ye ready to meet him. For the harvest is ripe and the reapers are prepared, but the garners are not ready nor the store house made clean. So come all ye laborers and sweep clean the floor make ye ready the garner and prepare ye the store.

Then I'll send forth the reapers
To gather in the wheat
For in the holy garner
The Lord will have no cheat

~~pared to receive them O ye shepherds of Israel. For the Lord will gather his own from kndreds and tongues far and near under his protecting care and cause them to stand in his kingdom accepted. And with you to drink at the rich fountain of his mercy and goodness.~~

But with the fan of truth
From the thrashing floor
The chaff will be divided
The wheat laid up in store

Then Zion shall flourish
Her light shall shine abroad
And kindreds tongues and people
Shall bow before her God
And many souls shall gather
Unto this holy way
Seeking for salvation
Gods precepts to obey.

Remember Me

Remember me while here I stay
A pilgrim and a stranger
Remember me from day to day
Who always am in danger

Remember me in deep distress
In trials and temptations
Remember me and give me rest
And crown me with salvation

Remember me when troubles roll
And sorrows without measure
Remember me and fill my soul
With heavenly joy and pleasure
Remember me in trying scenes
And in each joyful hour
Remember me and let me lean
Upon thy holy power

Remember me when life grows dim
And youthful hours are passed

Remember me and let my them
Be all for thee most blessed
Remember me O Lord at last
When here my days are ended
Remember me may I be blest
By all my gospel kindred

My Prayer

O Lord I do labor with fervent desire
To have my soul baptized with thy gospel fire
O Lord do protect me my journey thro time
And unite my spirit to Christ the true vine

May I in the gospel forever endure
And stand in thy kingdom unspotted an (pure

O may I the victory completely obtain
And forever rejoice in thy holy name

O Lord do refresh me with thy holy power
And keep my soul still safe thro each trying hour
Let perfect obedience to thy holy way
Be my only delight by night and by day

O let gentle meekness spring up in my soul
Be love and forbearance my treasure of gold
With Christ and our Mother O make me as one
And support me with strength all evil to sh

O Lord of repentance I want a full share
That I in thy kingdom may be a true heir
I want to be bathed in this flowing st
Wherein all thy chosen may wash and be clear.

O Lord give me wisdom and strength to endure
All mortification and keep my soul pure
O strengthen my union to those who're before
And conduct my spirit to that happy shore

Where troubles can't reach me nor sorrows (invade
Where are the true riches that never can fade
Where heavenly lilies in purity grow
And the waters of life eternally flow

Fervent Prayer.

O how I love the precious gifts
That flow in our communion
Tho billows roll we are not left
We still support our union

O spread thy pure angelic wings
Around us precious Savior
For thy remembrance always brings
Pure love to one another

Lord wilt thou grant my fervent pray
My daily supplication
Protect the youth from every snare
That robs them of salvation
May they continue in thy love
Give them the gospel treasure
And let their spirits soar above
All carnal joy and pleasure

Lord let their days be bright and clear
Let no dark cloud surround them

Teach them thy love and godly fear
And let no sin confound them
Lord sanctify them thro thy truth
Thy word is true and holy
For Zion's sake protect the youth
To share thy endless glory

Solemn Reflection

Lord I do bow before thee
My spirit I will bend
O let thy saving power
In mercy now descend
I'm needy of thy blessing
To keep my soul awake
That in the shades of darkness
One step I may not take

O what must be the portion
Of those who fall asleep
Who lose their holy birthright
And trifleing pleasures seek
In earthly false enjoyments
Which quickly pass away
And all its vain allurements
Must perish and decay

Let this reflection warn me
And learn me to be wise
To keep the gospel sacred
The pearl of greatest price
O may it work repentance
Of every evil way
That I in truth may honor
The gospel and obey

O bright and holy Savior
I do entreat thy care
My ever blessed Mother
Do guard me from each snare
May holy and pure Wisdom
Direct my goings forth
O lead me in the valley
The straight and narrow path

Solemn Work

This is the burden of my song
Never to look abroad for wrong
I find enough to do at home
With all my best exertion

Then why seek evil in another
Or try to injure a dear brother
Such are not children of our Mother
But slaves to basest passions

How easy for the carnal mind
Evils in other souls to find
While to our own how very blind
They're scarcely worth observing
But when old nature dont confound us
~~We find the good the just surround us~~
And we survey the saints around us
We find the good the just surround us
Of heaven how deserving

O may I evermore be wise
And make a right use of my eyes
Not be a fool and miss the prize
For lack of self-denial
This searching self (if you believe me
And my experience dont deceive me)
Is solemn work. Then do not leave me
But help me bear the trial.

Henceforth be this my daily toil
At home to cultivate the soil
A faulting ~~[illegible]~~ serpent shall not coil
Within my breast— I'll kill it
This work will ~~will~~ make me kind & clever
To all around me yea forever
Then love and joy and peace will never
Leave my soul but fill it

Now in this resurrection morn
We can't believe they're heavenborn
Who shun the rose and pluck the thorn
That they may torment others
For here in Zion's fragrant bowers
Where heaven sends such lovely showers
We seek the buds the op'ning flowers
Kind sisters and kind brothers

Blessings of the Faithful

Oft in serious meditation
Viewing natures fallen state
I am fill'd with admiration
At the gospel's cleansing work

O tis beautiful and pleasant
Open'd plainly to my sight
Let me well improve the present
While so favor'd with this light

In it I behold a fountain
Rich with every costly gem
And therein I see salvation
Clothing every faithful one
Gentle dews from heaven descending
Now are resting on this land
Spicy breezes so reviving
Wafted by the Fathers hand

Here I see a fulness given
Heavenly blessings from above

Now encircl'ing God's pure children
Filling them with gospel love
No good thing is now withholden
From the upright meek and low
Who are pressing on in union
Who in faith and love do go

Now I look around with pleasure
On my dear relation here
Kindred souls to me are nearer
Than all earthly objects are
I will prize their precious union
Live in peace from day to day
And in holy sweet communion
Go rejoicing on my way

Grateful Praises

Awake O my soul awake inspire my tongue with power divine to sound the praises due to the God of Zion. My heart is filled with thankfulness for the gospel my soul rejoices in the way of truth surely grateful praises are due surely grateful praises are due from all Zion's happy children. How many millions of souls are now groping in darkness and wandering in the gloomy wilds of sin, while my soul is blest with the gospel light and taugh to walk the lovely path to heaven. This lovely path is all adorned with delightful flowers and on the way heavenly fruits do grow whereof if a man do eat he shall never die Here lovely angels are a sounding grateful praises ever new and all the heavenly hosts are inviting the faithful souls to press on. O then how thankful, O how thankful I am called to be. Yea I will I will be thankful and alway walk the narrow way.

Nay never never will I turn from this lovely way so delightful so delightful so delightful and pure But I will always press on to the heavenly fountain, where living mercies flow in never failing streams.

Happy Enjoyment

O Heaven sweet Heaven
I long to enjoy thee
I long to repose
In thy mansions so blest
O seraphs and angels
My dear heavenly parents

Conduct me I pray thee
To that happy rest
O lead me by fountains of pure living wa
The path in which roses of innocence grow
My spirit resorts to a clime that's immortal
Where gales of sweet union eternally blow

I'll leave earthly pleasures and all that is carn
To feast on the joys that is eternal and true
O help me my Savior to stand fast unshaken
On life's fearful journey my pilgrimage thro
That I may be joined to that heavenly number
When earth again takes the small part which it (gave)
A seat in thy kingdom with saints bright (and glorious)
Is all all I can ask it is all that I crave

The treasure immortal which I am possessing
Shines brighter and brighter as onward I go
To mansions of glory to heavens fair regions
The cross of our Savior there comforts bestow
Adieu to earth's pleasures they're transient and fleeting
I'll freely renounce them for treasures more pure
O happy enjoyment I long to be sharing
In heavens fair kingdom eternal and sure

Zion's Adorning

Fear not O my Zion holy angels guard around (thee)
On thy walls faithful watchmen their vigils keep,
The sinner in safety shall not remain within thee
Jehovah hath purposed thy beauty to complete
Thy lands shall be blest with gentle dews from heaven
Thy fields and forests with beauty shine

The tender vines of peace love and union
Around every branch of thy vineyard shall twin

Let thy children within thee rejoice in thy governmen
Proclaim far and near thy beauty and thy fame
For lo! every nation on earth shall yet confess thee
And know that in thee hath the Lord placed his (name)

Ye seraphs and angels and justified spirits
Descend from mansions of peace on high
Unite with her in loud Allelujahs
For lo! her redemption is now drawing nigh

O come Holy Wisdom O do come come and shelter
With thy wings of mercy her immaterial sph

By crystal fountains of pure and living waters
With thy gentle hand may thy child imbibe
That honor and glory yea praise and thanksgiving
Like sweet incense to thy throne ascend
Tis on thee for mercy and protection
Thy innocent children do wholly depend

Universal Praise

Let praises ascend to our righteous defender
The God of all love that has given us birth
With strong acclamations and shouts of thanksgiving
We'll praise him with loud hallelujahs of mirth
Ye fields and ye forests praise God in his glory
Ye mountains withhold not from him what is due
Ye orbs in your briliancy boast not of splendor
The All-wise Creator it was that formed you

Therefore giv him glory to him it belongeth
And cease not your shining till by his comman
He is the Almighty all power is with him
He rules you with his own omnipotent hand
O praise him ye waters in majesty rolling
Ye deserts and valies let praise be your song
Let all that is living acknowledge his goodness
For honor and praises to him doth belong

We'll praise him in sorrow and deep tribulation
In songs of rejoicing and heavenly mirth
Ye children of Zion let shoutings of triumph
And heavenly praises resound thro the earth

Praise him on the mount where his glory does shine
And all ye his chosen unite in the chorus

Adieu Earthly Glory

Farewell earthly glory I bid you adieu
And all the vain pleasures that earth ever knew
My soul has in prospect a far greater theme
Compared with which thine is a bubble or dream

Farewell yea forever thy pleasures I find
Have nought in them real a sting leave behind
When these I've pursued remorse O how keen
Would pierce my poor soul no mortal can pen

Your vain siren charms can no longer endure
Nor carnal delights which my soul does abhor
I'll turn turn from pleasures so worthless & vain
And seek for those riches that ever remain

In Zion are pleasures eternal and sure
For all who their robes keep unsullied and (pure
My soul does possess them O this shall be mine
A conscience unspotted all others outshine

Let Me Go To My Rest

O my home is above in that city of love
Where the righteous eternally reign
And I long to be there in its glories to share
Free from sickness and sorrow and pain
On that heavenly land shining angels do (stand
With their raiment as white as the snow
To those mansions so blest where my soul will (find rest
I shall go I shall go I shall go

Then no more I shall weep for my Savior (shall keep
And protect all the lambs of the fold

Wipe away all their tears and dispel all their fea
And to them heavens treasures unfold
(do raise
Then the sweet song of praise which the seraphs
As they soar on their bright golden wings
When I join them above in those regions of love
I shall sing I shall sing I shall sing

(leave
O then why should I grieve for the joys I shall
Since they're fleeting and transient at best
(live
Earth has nothing to give then why should I);
Let me go let me go to my rest
Then as nothing below can true comfort bestow
And my spirit such pleasures disown
I will hasten above to that city of love
Theres my home there's my home theres my home

Remember Me No. 2

While passing thro this vale below
Amidst temptation grief and wo
My hearts desire to God ascends
To be my constant guide and friend
My hope my trust in him shall be
My prayer O God remember me

Without thine aid my hope were vain
And death and fear would o'er me reign
But in thy love my soul shall rise
Secure above all earthly ties
For now no cause of fear I see
If thou O God remember me

While on this transient voyage of life
Where tempests rise with fearful strife

With thy protecting hand at helm
No fear my heart shall overwhelm
The heavenly port mine eyes shall see
For thou wilt still remember me

Universal Praise

Let praises ascend to our righteous defender
The God of all love that has given us birth
With strong acclamations and shouts of thanksgiving
We'll praise him with loud alleluiahs of mirth

Path of Holineſs

Oft in scenes of tribulation
Zions children here are found
Yet they find sweet consolation
And with heavenly peace abound
Brightest treasures are unfolding
Choicest blessings from above
Like the dew of heaven distilling
Clothing every soul with love

Leaving all behind that's carnal
Earthly pleasures they resign
Thirsting for a life eternal
Which with glory bright does shine
These are they who have been washed
In the blood of Christ the Lord

And from every evil purged
By the sharp and twoedged sword

Piercing to the joints and marrow
Of that nature which is vile
Marking out a path of sorrow
To the serpents crooked wiles
He is doomed to sure destruction
In this day of power and light
God himself the word hath spoken
Who can stand before his might

Surely none but those who're seeking
To be clothed in garments pure
For salvation daily striving
In the way that's straight and sure

Holy angels guardian spirits
To delight their souls to bless
Heavenly comfort they inherit
In the path of holiness

With the heirs of pure salvation
Let me evermore be joined
Gain a just and true relation
To the followers of the Lamb
Where in love and gospel union
Kindred souls unite as one
And rejoice in holy freedom
In the kingdom of the Son

Mothers Standard

No adverse wind my course shall (bind)
All dangers I am braving
I'll steer my bark towards the ark
Where Mother's standard's waving
Tho billows roar I'll put to shore
My anchor is secured
I'll seek and strive till I arrive
In port where life's insured

With zeal I'll sweep the foaming deep
And take my cross with pleasure
And labor more to have in store
A everlasting treasure
I'll watch and pray to keep the way
As Christ's example teaches

I'll not complain but strive to gain
The never fading riches

This we may know whate'er we sow
The same must be expected
Tares are not wheat wild oats are cheat
Such fruit will be rejected
To say I love my God above
And set great store by Mother
Is all deceit if I should hate
My sister or my brother

Again unless my righteousness
Exceed the antichristian
My hope will fall when shall call
My faith and works in question

Where few can meet in union sweet
A humble mind possessing
Christ will be there and grant their pray
And give them Mother's blessing

I'll kiss the rod that's sent of God
Be patient meek and humble
No heavy stroke shall me provoke
To murmur fret or grumble
Then I can say O blessed day
I have received with pleasure
That blessed peace which will increase
And be a lasting treasure

Immortal Scenes

When my spirit was in serious meditation upon the beauties of the immortal scenes, then my soul broke forth and sung [how beautiful how beautiful are the true worshipers of God.] They are the children of our heavenly parents and the true partakers of the heavenly love and union which flow to us through selfdenial and the cross. O my soul wake up, (O my soul) awaken and be thankful for all these precious gifts of God which thou hast received from Mother's true vine. Let my heart bow in gratitude and thankfulness for the precious gifts of God.

O lovely angels O lovely angels, come ye and dwell with me, and in the hour of temptation never O never leave me but bear my spirit through all tribulation to the beautiful plains of victorious love and charity, where the gift of repentance is always seen and felt, where the fruits of the good are ever found and the waters of life never cease to flow.

The Little Spring

There is a fount and O how clear
Its crystal streams do flow
Delightful flowers are blooming he
And fruits immortal grow
Down very low remote from storms
And in a peaceful vale
This little spring is always found
Whose waters never fail

Here verdant fields forever green
On every hand appear
In which the Saviors lambs are seen
He feeds and folds them here.

The meek and low the pure in heart
Here find sweet peace and rest
But never was a haughty soul
Seen in this vale so blest

Come Mothers children one and all
Now will you drink with me
Some water from those little streams
How clear and sweet they be
Come drink with me with sweet deligh
For Mother says tis free
And taken freely will excite
Gospel simplicity

The Home For Me

O I have a home o'er the jordan of death
My Father has promis'd to me
And when I am call'd to surrender my breath
That fair happy home I shall see

Then why should I murmur tho troubled (I'm toss'd
On this life's tempestuous sea
No matter if here I am burden'd & oppress'd
Since there I so happy shall be

My anchor is weigh'd & my sails are all spre
I am now bounding over the sea
The haven of eternal rest is ahead
And there is the sweet home for me

My Father's dear children now (I stand on the shore)
To beckon my spirit away
I'll let go my anchor & thence I will (moor)
To the harbor of eternal day

Funeral Hymn M. Bs.

What honor and glory are due to the soul
Who a full cross have willingly chose
Who can triumph o'er evil while ages do (roll)
There is nothing but comfort for those
Their path leads thro pastures of sweet peace & (rest)
They know by their God they're cared for & blest
They have formed their own heaven &
worked their own task

And now in the kingdom share
more than they ask
Not half my beloved hath ever
been told
Of the good you have done in this land
For this a rich bounty worth mountains
of gold
You will shortly receive from my hand
Your shining example of virtue and truth
Has cheered and guided the aged and youth
Whose voices resound thro the heavens
above
In songs of thanksgiving, for your
labors of love

Now cheer up my chosen and patiently drink
Of the cup that's well filled for you
E're long hand in hand we shall stand at the brink
Of heavenly enjoyments so true
A long well spent life what a glorious sound
When such leave this world heaven's arches resound
The angels rejoice and anxiously stand
To welcome you home to the bright Spirit land

First Founders

O dear children you are called
By the gospel in this day
To work out your own salvation
O press on make no delay
Far beyond this vale of sorrow
On fair canaan's peaceful shore
Is prepared happy mansions
O they're for the faithful soul

See the faithful the first founders
Swiftly passing to that clime
Mother calls them to her mansion
Far beyond the vale of time

O how fast they're taken from us
Flying to her kind embrace
Soon there will be none among us
That have seen our Mother's face

Let us then be faithful children
Make the gospel our delight
That their mantle may rest on us
When they're taken from our sight
Let us gain their love and blessing
Be their true and rightful heirs
That in peace they can go saying
Take the labor of our years

Let us keep the gospel holy
Which they're leaving in our trust

And to our successors give it
As our Parents have to us
Be so meek so pure and humble
And such charity impart
As our parents have extended
Who received from Mother's heart

This to Mother will endear us
Yea and round our Father's throne
With our parents she'll caress us
When on earth our work is done
There beyond this vale of sorrow
With the holy pure and clean
We can join the endless chorus
Sing the song of the redeemed

Consoling Love

|: O ye holy Angels from Wisdom's bright land, Go forth with blessings my chosen ones to meet Gather my lambs unto you, and o'er them spread my rest. With treasures from my fountain their spirits refresh :|: Bid them be patient sufferers, with me for the gospel's sake. And they shall never fail heavens protection to share. The Bitter cup I'll sweeten with my consoling love Their spirits yet shall mingle with the shining hosts above :|

Source of Light

I love that God who reigns above
And formed my precious soul
I love that holy source of love
From whence all blessings flow
I love that holy searching fire
That frees my soul from sin
All heavenly gifts I do admire
Tis what I glory in

I love that holy source of light
By which I daily steer
I love the soul that walks upright
And strives to persevere

I love the mortifying cross
I love the fruit it brings
Yea sure it is of greater worth
Than all created things

I love the holy order too
That daily guide my feet
This heavenly way I will pursu
I never will retreat
Tho heavy trials weigh me down
Yet truth shall be my stay
And I will gain a lasting crown
That never will decay

Our time on earth is short at best
Its length is but a span

And in this world there is no rest
For poor benigtited man
But soon will reach that blest abode
Where sorrows are no more
And dwell in union with our God
On the eternal shore

Cherubim

Come let us sing let us sing unto the Lord a new song let us make a joyful noise to the rock of our salvation. Come let us worship and bow down let us kneel before the Lord our maker. Give unto the Lord the glory due to his name, bring an offering an come in to his courts, and worship the Lord in the beauty of holiness and fear before him all the earth. Say among the heathen the Lord reigneth let the heavens rejoice and let the earth be glad, let the sea roar and the fullness thereof let the fields be joyful and all that is therein. Then shall all the trees of the wood rejoice before the Lord, for he cometh for he is come to judge the earth. He shall judge the world in righteousness and the people with his truth

The Lord reigneth let the people tremble. He sitteth between the Cherubim of his glory let the earth be moved Exalt the Lord our God and worship at his holy hill of Zion for the Lord our God is holy and his people must be holy

Lord God for he bringeth down those who dwell on high. the lofty city he layeth it low even to the ground he layeth it even to the dust. The foot shall tread it down even the feet of the poor and the steps of the needy. In that day shall this song be sung in the land of Judah: We have a strong city, Salvation God will appoint for walls and bulwarks. Open ye the gates that the righteous nation whi keepeth the truth may enter in.

Thou wilt keep him in perfect peace whose mind is stayed on thee because he trusteth in thee. Trust ye in the Lord forever for in the Lord Jehovah is everlasting strength. The way of the just is uprightness thou most upright dost weigh the path of the just. Yea in the way of thy judgments

O Lord have we waited for thee. The desire of our souls is to thy name and to the remembrance of thee. With my soul I have desired thee daily Yea with my spirit within me I will seek thee early. For when thy judgments are in the earth [illegible] the inhabitants of the world will learn righteousness. The meek also shall increase their joy in the Lord and the poor among men shall rejoice in the holy one of Israel. And the work of righteousness shall be peace and the effect of righteousness quietness and assurance forever

And my people shall dwell in a peaceable habitation and in sure dwellings and in quiet resting places

I will open rivers in high places and fountains in the midst of vallies. I will make the wilderness a pool of water and the dry land springs of water. And they who wait upon the Lord shall renew their strength. They shall mount up with wings as eagles, they shall run and not be weary yea they shall walk and not faint saith Jehovah.

Be ye clean be ye pure be ye holy and ye shall dwell in his presence forever and ever O come let us draw together in one spirit and unite as the heart of one man. Let us sing unto the Lord our God a song of thanksgiving and praise let us bring unto him a free-will offering, holy holy, and acceptable unto him even the first ripe fruits of our souls Then he will open the windows of heaven and pour out a rich blessing of his power, yea more than we have room to receive. Then shall our souls overflow with praises and our mouths with songs of thanksgiving. — And the gifts of God will be forever new and refreshing to our hungry souls. Yea it will be our meat and drink to do the will of our heavenly parents, and to praise and adore them, ~~and~~ forever and ever. O blessed be our Eternal Parents, and blessed be our Lord Jesus and Mother Ann, who have opened an everlasting fountain of salvation, to save the poor lost children of men.

The visitation of God

Behold how precious was the sound when first we heard the gospel of Christ. How glorious to those who were seeking for deliverance from sin and death, willing to to give up all to obtain to obtain the favor of God. We are thankful that we have live to see this day the second appearing of Christ. Now we may drink the cup of of the true vine, and eat the fruit of the tree of life, and none can make us afraid, and none can make us afraid. O the beautiful way of God which thousands have longed to see, and gave up their lives for their testimony. They were driven from mountain to hill, yea they suffered meekly down and left this work in faith.

But now a free door is opened for all to be saved by coming into the straight narrow way of self-denial confessing and repenting

Now is the year of God's visitation and the day will come when nations kings and princes will come and seek the favor of God's people. They will rejoice in the God of their salvation, and glorify Him in his holy habitation. And the sound of this gospel will go through all nations and souls will be thankful to receive this blessed call. For it will be the most joyful soun that ever reached the ears of man. O how thankful we are called to be, who have received that abiding treasure which will never fade nor die, but will shine forth as the brightness unto the perfect day. Yea it will be brighter than the meridian sun for the way of God doth abound with everlasting light, and the righteous do dwell in eternal glory:

The Lord of Glory

The Lord of Glory the king of Zion behold he cometh clothed in majesty and beauty. And in righteousness doth he appear, for the salvation of his people even for the salvation of his anointed. For those who have been waiting and earnestly

looking towards Zion
for their deliverance
Behold he is gathering
them from the four
winds. From east to
west the trumpet sounds
and the north and south
cannot keep back
The Savior on mount
Zion shall judge the
nations and purify the
people. Awake awake
and come to judgment
ye nations that sit in
darkness ~~and grope~~ and remain under the
shadow of death ye who are clothed
and grope at noonday
in darkness

O come and see the salvation of our God. Virgins arise and trim your lamps go forth to meet the bride Lo she cometh with her companions the virgin daughters that follow her. Who shall be counted worthy to go in with her to the marriage. He that is clad with a wedding garment with his lamp trimmed and burning he shall go forth to the marriage of the lamb. Those who are thus prepare shall be made welcome by the heavenly bride and groom. they shall be received in the paradise of God.

They shall become heirs and joint heirs with Christ our Lord and Savior. They shall receive a crown of glory that shall never fade away, they shall be clothed in everlasting righteousness and with the names of God in their names. They shall join with the heavenly hosts in songs of everlasting

praises, where streams
of living waters flow
and fountains never dry

The Fulfilment Of
The Promise

"What millions from sequestered vallies, and desolate mountains, from lonely cottages, and silent groves, from torture rooms and racks, and devouring flames, have looked and wept, and prayed towards this latter day, of liberty and peace! How have they talked of the rights of man and labored to describe in words what our eyes behold and our souls daily enjoy; namely, the bleſsings *the bleſsings* of peace and salvation in a land sacred to freedom! Then how unspeakably great is our privilege; *seeing* the eyes of all who have ever suffered in the cause of virtue, *have earnestly looked* towards the blessings we enjoy and have justly expected with us to receive a crown of neverfading glory and with us to drink freely of the river of the water of life, and live forever and ever

And from whom have all those blessings flowed, both civil and sacred which we enjoy but from our Almighty Creator. O then *let us be thankful* and rejoice. Let us sing prais

-es let us sing praises let us honor and glorify our God, forever forever and ever.

For zions sake I will not keep silent, and for the sake of Jerusalem I will nit rest until her righteousneſs break forth as a strong light and her salvation like a blazing torch

And the nations shall see thy righteousneſs and all the kings thy glory. And thou shalt be called by a new name which the mouth of Jehovah shall fix upon thee. And thou shalt be a beautiful crown in the hands of Jehovah, and a royal diadem in the grasp of thy God.

Thou shalt no more be termed forsaken neither shall thy land any more be termed desolate; but thou shalt be called beautiful and thy land glorious for Jehovah delighteth in thee.

I have set watchmen upon thy walls O Jerusalem, which shall never hold their peace day nor night. ye that make mention of Jehovah keep not silent and give him no rest until he establish until he make Jerusalem a praise in the earth. Pass ye pass ye pass thro the gates prepare ye the way for the people Cast up the highway

gather out the stones
lift up a standard
for the people. Behold
Jehovah hath thus
proclaimed to the ends
of the earth; say ye to
the daughter of Zion,
lo thy Savior cometh.
Lo his reward is with
him and the recompense
of his works before him.
And they shall be
called the holy people,
the redeemed of Jehovah
and thou shalt be called
sought out a city not forsaken.

Proclamation

Come all ye chosen ones prepare your hearts and raise your voices proclaim to the nations the goodness of our God and the excellency of his way. Say to them that love the mystery of iniquity and hate understanding your works will follow you to condemnation. But say to the broken hearted & the weary and heavy laden come out from among them, come

ye unto me you come ye
unto our God and he will
give you rest, for he is mer-
ciful and righteous

Yea thou art righteous
O Lord holy just and true;
thy ways are righteous
and holy it is beautiful
lovely and pleasant. It
leads to peace and happiness
Lo the wicked are
deluded. They seek pleasure
in unrighteousness and
therein they find trouble
for. there is no peace to

the wicked, for there is no peace to the wicked saith our God. O Lord we will praise thee with a grateful heart; in songs of joy and gladness; for thou hast redeemed us from the bondage of our carnal wills; through the excellent spirit of thy grace, by which the flesh is crucified and the enmity is slain And by which we grow in newness of life and gain a just relation to Jesus Christ

our Lord, who is one with
the Father. And in
this precious union of
the spirit we will sing
the praises of our God
and the Lamb. To whom
be thanksgiving and
honor dominion and
power, in the kingdom
of Zion forever.

Mathew Cillian

What honor and glory
and beauty is reserved.
for those that overcome

and conquer all evil.
They shall receive a new
name; Mothers children
These beautify the house
of God, these beautify
mount Zion. O the
heavenly dew, the vine,
the lily Praise the Savior
The heaven of heavens
shall be our abode, and
all our relation shall center in God. the kingdom
is ours we have our abode
and all our relation will
center in God. Praise
the Savior. On my beau-

tiful Mother rests the Heavenly dove, & in my beautiful Mother blooms the vine and the lily

The Children of Zion

How lovely are the children of Zion, clothed with the garments of beauty and holiness *having palms in their hands* and on their heads a crown of glory. *In love and sweet union they come and* bow down and worship before the throne of God in his holy temple. And when they bring offerings unto his altar, their spirits are blest with the resurrection power of life

Their hearts are filled with joy and gladness and their mouths with thanksgiving and praise O how I love to live unto the Lord and sing loud Alelulias unto him for this precious gift of

salvation from sin
I will always keep
the bleſsed gospel yea
I will and be faithful
in my calling.
